*ADVENTURE BAGS* is a non-profit organization dedicated to providing backpacks filled with age/gender appropriate overnight essentials and comfort items to children in crisis across Georgia. Whether they are entering the foster care system, have lost their home to a fire, or are being forced into a domestic violence shelter, these children are faced with uncertainty. *ADVENTURE BAGS* mission is to offer children security and comfort during these difficult times.

Since 2011, we've served over 45,000 children across the state, and that number grows weekly. Based in Barrow County, we currently partner with over 152 agencies across the state to get our *ADVENTURE BAGS* into the hands of children in crisis situations.

Between supplies, distribution, and overhead expenses, it costs approximately \$50 to prepare and deliver each *ADVENTURE BAG* to one of our partners to get into the hands of a child. Would you consider investing in our mission during 2023 in one or more of the following ways?

1. Become a financial sponsor (*see the attached form for more information*)
2. Provide in-kind donations of backpacks and/or supplies (*see the back of this letter for a list of items we currently accept*)
3. Host a supply drive at your office
4. Bring your team to a packing party at our office in Winder

Please visit our website [adventurebags.org](http://adventurebags.org) to learn more about our work. And feel free to call if you'd like to discuss in-kind donations or scheduling a packing party with your team.

Thank you in advance for your support.
